Dear Alumnae,

This week marks the nationwide celebration of Catholic Schools, and today Sacred Heart Academy celebrates our Alumnae! We began the day by praying for all of you who have helped to make Sacred Heart the wonderful high school it is today.

Sacred Heart has always had a rich history that sets it apart from other high schools. Long-lasting traditions, such as the Senior Prom in December and the dozen roses at graduation, create a special bond between alumnae old and young. We are forever Valkyries, and I treasure talking to alumnae about their experiences while attending Sacred Heart.

The four high school years pass too quickly, but it is comforting to know that I will soon join a strong group of former Valkyries. I cannot fully express the gratitude the current students feel towards our alumnae. Your efforts towards making Sacred Heart an even better school do not go unnoticed. We look to you as role models who hold the knowledge of living like a Valkyrie. Thank you for everything that you have given to this school! Go Valkyries!

Sincerely,

Catherine Kosse
Student Council President 2011-2012

Morning Prayer by Sarah Alice Shull '12, Agape President

Dear God, We thank you today for our amazing alumnae. We are thankful for all of the special traditions they began for many generations of Valkyries to be a part of and enjoy. We thank you for the generosity and compassion they still show towards their high school. We are also thankful for the wonderful support system they create for us throughout the community. Sacred Heart Academy is blessed with loving, understanding, and talented alumnae. These women are true role models from which all Sacred Heart students can learn. Remind us to always be thankful for these outstanding women, and remind us to still care for our school after we graduate. Amen
